

GODDARD SKI CLUB

MOUNT SNOW, VERMONT

February 24 – February 29, 2008

\$415/person* (Adult, double occupancy)

Once again, by popular demand, the GSC will be returning to Mount Snow, Vermont for a full week of great skiing. Our previous trips have been so successful and enjoyable that we can't resist another visit.

Each season, the owners of Mount Snow Resort have been spending millions of dollars on improvements to the ski area, and we anticipate this season will be no different. Besides daytime skiing and snowboarding, Mount Snow offers a tubing park, night sledding, and cross country skiing.

We will again be staying at the charming Mountaineer Inn, a traditional Vermont ski lodge, at the base of the slopes (walk to lifts or hop on the free "Moover" shuttle). Full country-style breakfasts and four-course candlelight dinners are all included. All rooms have private baths. The Inn has spacious sunny lounges, a fireside bar, saunas, game rooms with pool and ping pong tables, and an outdoor hot tub.
